

ARCHITECT

DONALD C.R. MAC DONALD

EDUCATION

BA University of Denver, 1972
M. Architecture, University of Utah, 1980

EXPERIENCE

The office of Donald Mac Donald - Architect has practiced Architecture on a continuous basis since 1984.

Projects have been in the areas of library additions/renovations, multi-family housing, child care centers, data centers and administrative office planning and renovation.

Current projects include additions/renovations to the and South Salem, Somers, Pound Ridge and Pleasant Valley libraries.

A 15 year relationship with Verizon Wireless involves continuous work in corporate interior office renovation and planning.

The office has designed child care centers in corporate settings for Champion International Corp., the Stamford Hospital and Bell Atlantic NYNEX Mobile. Two corporate fitness centers were designed for Bell Atlantic Mobile and a third is underway for Verizon Wireless.

Recently a 45% enlargement was completed for the Bedford Village Library.

GENERAL BACKGROUND

Prior to establishing his own office Mr. Mac Donald was a partner in a small Architectural firm in Stamford Ct.. He has worked as a project manager for a structural/mechanical engineering firm and in the early 70's worked for 4 years as a carpenter/foreman in single and multifamily house construction in Denver, Colorado and Westchester, NY.
