Introduction of Ken Gilman, Property Manager
KG described his role in maintaining the Library and the rental cottage. He will be reviewing all vendors used by him for their locale, preferring Pound Ridge, and their price awareness. His goal is to “fix quickly, efficiently and at the best possible price”. BS suggested KG maintain a wish list of projects and their priority. GK asked if there were any major repairs anticipated, to which KG answered not at this time. KG will attend all Board Meetings.

Report by Ed Reiner, Library Accountant
ER stated that due to an outstanding invoice owed to KMG, he had not received the final package of 2017 financial documents from them. MS requested that he speak to the Partner there to resolve the matter. ER stated that the Library could not be held hostage by KMG due to its contract with them.

ER reported that the 2017 financials showed an unspent variance from the budget of roughly $250,000. A discussion ensued of whether that was accurate. MS again called for the November and December
Financial Reports to be submitted by the April meeting and that a request be made to the State Comptroller’s Office to obtain an extension for filing the AUD. ER reported that he had created files for the 1099 and I-9 employee forms. He stated that tax form 1096 had been filed for 2017. There is a question of who the currently designated Trustee for TIAA CREF is, as a late invoice was reported by GK on the pension account. HN said that she did not have access to pay the account. MS stated that the Board is the designated Trustee with KT as Treasurer.

8:45 pm
Treasurer’s Report
KT reported that he had approved changes in the Library’s maturing bonds in the Investment portfolio and that we would be receiving an Investment Report in May. The matter of the Cottage rental was resolved after a discussion of potential tenants and the matter of allowing pets. BS made a motion to approve the rental of the Cottage to the couple mentioned who had no pets and authorize certain repairs they requested for a monthly rent of $2200. PD seconded the motion and it was approved.

8:58 pm
Director’s Report
LD distributed a package of her report and Library statistics regarding circulation, programming and staff. MS requested that the section of her report on the new Marketing Committee be saved by the Trustees for future use as it reflected extensive work by RE and programming is a key part of budget planning. The wiring in the Mystery room was discussed and it was resolved that the necessity for landline phones be explored. Controls for heaters in that room were found. BS commented on duplicative cleaning services that were explained by KT. PD moved that the Disbursement List for February 2017 except for the $303.18 KMG invoice be approved. Seconded by GK, approved.
