From the Director

January 2025

Dear Friends,

This past year has been nothing short of amazing for our library! As I look back on all we've accomplished together, I feel so proud of how much our library has grown—not just as a resource, but as a welcoming, vibrant community hub. We unveiled a beautifully refurbished Children's Room, where young imaginations thrive, and a calming Sensory Room to ensure our library is an inclusive space. We provide community programs for all ages and interests, offer hyper-local passport processing and notary assistance, museum passes, a seed library, and much more—making the library a one-stop destination for much more than books! Your library has truly become a place to feel at home, and it shows. Thank you for your support in making our library such a special place. As we look ahead, we are poised for even greater achievements. Pound Ridge Library remains a beacon of innovation and a cornerstone of community, where the future holds limitless potential for all who walk through our doors.

Warmly,

Jennifer Couller

We extend our gratitude to the Pound Ridge Library Foundation for sponsoring a refurbishment of the Children's Room, creating a vibrant and welcoming space where young minds can explore, learn, and grow.
